## WEEKLY MEDLEY

March 8, 2020

### Interesting Question:

**Q:** Did Jesus have a soul, a mind, and a body just as we do?

**A:** Jesus “worked with human hands, he thought with a human mind. He acted with a human will, and with a human heart he loved.” (Second Vatican Council, GS 22,2 and CCC 470-476).

### Quotable Quote:

“A religion without mystery is necessarily a religion without God.”

(Jeremy Taylor, 1613-1667, English spiritual writer)

### More Q and A:

**Q:** Why was Christ transfigured on the mountain?

**A:** The Father wanted to reveal the divine glory of his Son even during Jesus’ earthly life. Christ’s Transfiguration was meant to help the disciples later to understand his death and Resurrection (CCC 554-556, 568).

### Quotable Quote 2:

“Apart from the Cross there is no other ladder by which we may get to heaven.”

(St. Rose of Lima, 1586-1617, patron saint of Peru, first saint of the Americas).

### Saint of the Week:

March 9 – St. Frances of Rome

### Key lessons in life:

- Time heals almost everything. Give time time. However good or bad a situation is, it will change.
- Don't take yourself so seriously. No one else does. Believe in miracles.
- God loves you because of who God is, not because of anything you did or did not do.
- Don't audit life. Show up and make the most of it now. Growing old beats the alternative -- dying young.

## Father PJ's Letter

Dear Friends in Christ,

Peace and Joy to you and your loved ones!

The Gospel this weekend is one of my favorite scenes in the life of our Lord and His apostles. Every year on the Second Sunday of Lent, we read about our Lord being transfigured. This very same Gospel is also proclaimed on the Feast of Transfiguration—August 6th, my birthday. That's why, it is one of my favorites (tongue in cheek!).

However, Peter's reply to Jesus is poignant, in a way. He liked what he saw. Moses, representing the Law and Elijah, representing the Prophets, were conversing with Jesus. And he said, "Lord, it is good that we are here." Then, he proposed making three tents on that high mountain for their guests. The voice from the cloud cut him short, "This is my beloved son, with whom I am well pleased; listen to him."

Most of us may seem to like what we are having, and seeing right now. In fact, we might be telling our Lord if we could build tents, dwelling places, in this 'high mountain' we might be in. But, it is not life's and faith's purpose. We may sometimes be cut short by the reality that there is something and Someone behind and above all these sights in our own earthly paradise. "Listen to him, Jesus, my Son," the voice from the clouds said.

From then on, they journeyed to Jerusalem, where He would be sacrificed. The sight might be wholesome and pleasing to Peter that time, that he thought of staying put on the mountain. Reality beckons, though. Listening to Jesus means following His Father's will. And that means for us, taking up our own crosses, and rising again with Him.

Just a little fervorino as we reset our clocks this weekend. Love you all!

Blessings and prayers,

Fr. PJ

#### *Prayer Intention for Evangelization – Catholics in China*

We pray that the Church in China may persevere in its faithfulness to the Gospel and grow in unity.

### THE ANNUAL CATHOLIC APPEAL – IN ACTION!

#### **Ministry to Families, Youth and Young Adults**

Every person belongs to a family. Families are the foundation of the Catholic parish. In the midst of the family and the parish community, people encounter Christ and learn to be his disciples. Family and Parish are the primary environments in which evangelization takes place. Together in Mission is a tool to support these evangelization efforts. Your gift promotes individuals and family life. Youth events and service opportunities, young adult gatherings, Marriage prep, Baptismal prep, Ministry to separated and divorced persons are just a few of the services offered.

### Here's One Positive Encouragement

*Written by a fellow parishioner*

Let's look back. God made the earth, created a place called the Garden of Eden (paradise,) gave it to man (Adam), said go forth and multiply and enjoy paradise (paraphrasing). God gave Adam free will. Evil, in the form of a serpent tricked Eve, who tricked Adam to using free will and hell broke out in paradise. Now life is hard, and man had to work to survive instead of being happy in paradise and pleasing to God. The above is oversimplification of the story.

Fast forward to humans today. We still must work hard to survive. What if we did not have to work, if there was no money needed, that whatever we wanted was provided? Could we survive this transformation, this idea of not having to work? Would we spend our time happily helping each other, enjoying the beauty around us and thanking God for our new paradise?

I'm not sure if I could handle this change with all the new variables. Take some time this week to extrapolate on my thoughts. Could you handle a change such as this? Would you even want to?

Would you want to live in this paradise on earth?

We will have **Adoration of the Blessed Sacrament** at St. Mary's Church Wednesdays during lent after the 9 A.M. Mass. There will be **Stations of the Cross** at 11:30 A.M. followed by **Benediction**. **Confessions will be held in between these times.**

The well-being and health of our students, staff and parish community are always a top priority for Our lady of Hope Parish and Saint Jerome School. As best practice for overall health in cold and influenza season, the CDC recommends that individuals receive the influenza vaccination and engage in everyday preventive measure to prevent the spread of germs and avoid illness, such as:

- Wash hands often with soap and water for at least 20 seconds.
- Use an alcohol based hand sanitizer that contains at least 60% alcohol if soap and water are not available.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people when you are sick.
- Stay home when you are sick.
- Cover your mouth and nose with a tissue or your sleeve (not your hands) when coughing or sneezing. If you use a tissue, throw it in the trash.
- Routinely clean and disinfect frequently touched objects and surfaces.
